Newsletter Winter 2010 / 2011

Enjoy the winter to conduct the review and verification of your security organs. Whether your life rafts and their hydrostatic, your respirators, your EPIRB, your SAFET, your inflatable life jackets or other equipment, we carry out the collection and have them checked by certified organizations, then we deliver your board, ready for the new season. Do not forget to check your fire...

MAINTENANCE AND PAINTING FOR THE WINTER OF YOUR YACHT

Washing and maintaining your boat is our priority, we represent most of the major brands be it soaps, products for teak, polish or any of the products right for your use.

We provide and deliver to you as soon as possible and at the best price the product you want.

A lacquer or varnish are the perfect fruit of a good application, but also and especially the quality of the products used.

Application materials are also essential. We supply all products from all brands needed to render impeccable.

We are also specialist in all parts and fittings inherent in the operation of your boat.

Feel free to ask us.

We are also your supplier for your mooring lines and your ropes. We can help your choice and equip your boat with the necessary lines to secure and for smooth operations.
